PROFESSIONAL EXPERIENCE

Rapidops

Jan 2024 - Present

Software Engineering Intern

Gained valuable hands-on experience in front-end development. Honed my skills in essential technologies like HTML, CSS, JavaScript, and frameworks like Bootstrap and React.js. Additionally, explored version control with Git and performed unit testing with Jest. Built a blog builder, a Google Forms clone, a weather web application, and a movies web app. This internship provided me with a comprehensive understanding of the front-end development workflow, from building user interfaces to testing.
